GUARDIAN

Alert Option
Side Console

The 17' Guardian is a classic workhorse and a common fixture in marinas around the world as the ultimate utility vessel. On lakes and inland waters, it's popular with law enforcement agencies because it is easily transportable and able to negotiate a wide range of depths and water conditions. The 17' features a center console design for immediate, unobstructed, 360-degree access or an optional side console layout. Shown with options.
