

37'

JUSTICE

By the time you get to the bow of the 37' Justice, you're in a new area code. The flagship of the Justice series, the 37' sports a console big enough to accommodate multiple crew members and all of their gear. Within the massive console is a large storage compartment suitable as an overnight berth with standing headroom. In addition to multiple storage compartments top side, the 37' features an easily accessible forward console locker suitable for SCUBA tank storage or other large gear. The 37' hull features precise, predictable handling, a smooth, dry ride and Whaler's unsinkable Unibond™ construction. Shown with options.
